WD-PURPLE-2TB

Western Digital Purple HDD, 2TB

Western Digital Purple hard drive series

The Western Digital Purple surveillance hard drives are especially designed for video surveillance applications. The hard drives contain specific technologies to reduce errors, pixelation and other video interruptions.
The drives have an enhanced workload rating that supports systems designed for 24/7 video recording.

The hard drive can be used for all TruVision recorders (except for TVN70/TVN71)

Details

- Hard drive for video surveillance applications.
- Can be used for expanding the storage capacity of a TruVision recorder.
