N-MC-PC

ActivSense™ Accessory - Intelligent Manual Call Point Connector

General

The innovative ActivSense range of enhanced intelligent addressable devices offers advanced features for reliability and peace of mind. Coupled with patented features for ease of installation and maintenance of both new and legacy fire detection systems, it's a perfect match for exceptional overall performance.

The N-MC-PC is an ActivSense manual call point, 90°C plugged connector allowing for the easy connection and disconnection of cables to the manual call point to simplify installation and maintenance.

Details

- Allows a quick fir of field cabling to the ActivSense manual call point
- High quality moving parts allow for multiple, fault free connections without mechanical failures
- Keyed orientation alignment aids prevents incorrect or reverse fitment to the manual call point connector

N-MC-PC

ActivSense™ Accessory - Intelligent Manual Call Point Connector

Technische specificaties

General

Compatibility	ActivSense manual call points

Electrical

Terminals	4

Physical

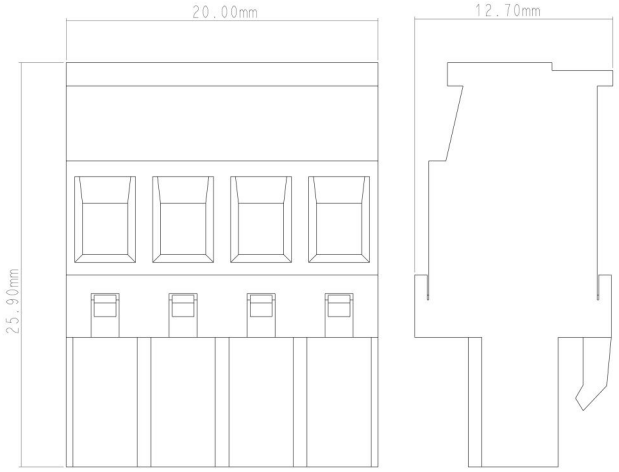

Physical dimensions	20 x 25.9 x 12.7 mm (L x W x D)
Colour	Verde
Mounting type	Enchufe en
Material (body)	Plastic

Environmental

Vandal proof	No
Operating temperature	−30 to +72°C
Storage temperature	−30 to +72°C
Relative humidity	10 to 95% (noncondensing)
Environment	Indendør, Udendørs

Regulatory

Compliancy	CE, REACH, RoHS 2, WEEE
